It was delightful speaking with you. I'm so glad we had classes for you this fall.

I have attached here the Performance Strategies Handbook.

I've also attached a doc here with the links to films I reference, show clips from or which I recommend. These can't be viewed until you have an nyu net id. Here also are links to Dog Day Afternoon and the Making of Dog Day Afternoon doc:

When you have time to review everything, we can speak and I really look forward to that. Until then, enjoy your workshop and your and Bentley's new home.

All the best
